YourDOST | Bengaluru
Operations executive | 01/2022 - 11/2023
With my fellow peers, we play a key role in overseeing various operational aspects within an organization.
The responsibilities include:
1. Implementing operational strategies to achieve the organization's goals and objectives.
2. Identifying and optimizing operational processes to enhance efficiency and productivity.
3. Ensuring smooth day-to-day operations.
4. Facilitating communication between different departments and teams to ensure alignment with operational goals.
5. Ensuring customer satisfaction by delivering our services on time and meeting customer expectations.

Industry Era | Bengaluru
Data Research Analyst | 07/2021 - 12/2021
During my time in Industry Era as an data analyst.
My role typically involve collecting, analyzing, and interpreting data to help organization make informed decisions.
Responsibilities include:
1. Gathering data from various sources, such as databases, surveys, or web scraping.
2. Preparing and cleaning data to ensure accuracy and consistency.
3. Using statistical and analytical tools to identify trends, patterns, and insights within the data.
4. Strong Excel skills for data manipulation and analysis.
5. Understanding the specific industry or business context to provide valuable insights.
